Valor Electric Fireplaces

Feel the heat.

All our electric fireplaces also provide heat, and include a 1400 or 2800 watt heater.

Adjustable flame.

The remote control offers adjustable flame and color combinations to suit your style.

Cozy up your room.

Electric fireplaces are a simple way to create a cozy space in any room in your home.

Easy and safe to use.

Electric fires are easy to use. No chopping of wood or messy logs and fumes from a wood fireplace.

Glow of the fire.

Our electric fireplaces creates soothing flames and an ambient glow that brings to mind a real fire.

Realistic-looking logs.

Valor's exclusive high definition logs create an authentic look.

Non-reflective glass.

The non-reflective glass reduces the glare of light, improving your view of the fire.

Efficiency

Valor electric fireplaces are an efficient, cost effective way to bring the look and feel of a real fire into your home.

Design your own.

Visit the Valor Fireplace Design Center to design your very own Valor Fireplace today.

Fireplaces + Logs

LEX2-S CORNER
SPLITWOOD LEXSWK

LEX2-S 49" WINDOW

LEX electric fireplaces make it easy to enjoy a realistic-looking fireplace in your home. Create two rooms out of one, easing the transition from one to another, or install on a feature wall. All viewing areas are 15¾" tall.

Valor logs are expertly crafted for a realistic appearance—exclusive to North America. View our LEX firebed videos at valorfireplaces.com/electric-fireplaces

LEX2
REAL WOOD ARTISAN
LOGS LEX2AWK

Our new authentic wood logs are individually selected from North American forests. Artisans carefully select each log to create one-of-a-kind logs. No two log sets are alike—and to ensure consistency in appearance, each set is delivered as a single, pre-assembled unit, making installation fast and efficient.
